Letter no B1-c. 5779/45-46 dt 18.9.1946 from the Director of Food Supplies requesting sanction for the Continuance of the A.N Anantaramaiya a Rural Rationing officer, for a further period of two months from 22.9.1946

Subject:- Continuance of Mr A.N. Anantaramaiya Rural Rationing Officer

Returned with compliments.

8) Mr. Anantharamaiya was placed on Special Duty for organising Rural Rationing on a sound basis with a view to see that apart from the landless classes, the partial holders, who have exhausted their small resources are admitted into Government depots as and when they exhaust their stocks. It is seen from the Test inspections conducted by Mr. Anantaramaiya that the irregularities regarding the non-distribution of cards to deserving partial producefs, non-maintenance of proper accounts and forms in depots, non-systematisation of supplies according to needs and other similar irregularities still continue in some areas. Though the local officers have been appraised of these defects and have been instructed to set right these defects, the availability of an officer at headquqrters is necessary to pursue these questions systematically by further inspections and to take up inspection work at short notice in other areas. According to existing conditions, partial holders have to be admitted to depots and continued on our ration list till the end of January 47, when the millet harvests ~~actually~~ become available for consumption. Mr. Anantharamaiya has therefore to be continued as Special Officer for Rural Rationing work atleast till the end of January 1947 and I request that sanction of Government may kindly be obtained for the continuance of this officer till the end of Jan.47.

9) The Director's proper recommendation that Mr. A.N. Anantharamaiya may be continued as Special officer for Rural Rationing work till the end of January 1947 (i.e. for a period of 4 months instead of 2 months as originally proposed) is forwarded. — Refer Para 7

Vide para 6.

2) The proposal of the D.F.S. to continue Mr. T.N. Anantaramaiah as Rural Training Officer till 1.1.47 may be sanctioned. There have been numerous representations at the Rural R.A. Centres that Carts have not been issued in several places, and that rations have not been regularly issued even now. Apparently a good deal of slowing up is resulting.

3) If proper instructions have been issued to Dists & their assistants there is very little for Mr Anantaramaiah can do in seeing that these are implemented. This is really the work of the Asstt Food Distt & Dcs. The D.F.S also could examine this during tours. I am afraid perhaps there is very little Mr Anantaramaiah could do unless the local officers take interest.

4) I therefore consider that further extension of his services would be unnecessary. Further with a good Rabi crop coming & a good crop already harvested the run on Rural depots should already have been considerably minimised.
